VOTING EXCLUSION STATEMENTS

Item 2

For the purposes of sections 250R(2) and 250BD(1) of the *Corporations Act 2001 (Cth)*:

1. subject to paragraph 2, a vote must not be cast (in any capacity) on the resolution in Item 2 by or on behalf of a member of the Company's key management personnel (including the Directors) (KMP), details of whose remuneration are included in the Remuneration Report or their closely related parties, whether as a shareholder or as a proxy except that a vote may be cast on the resolution in Item 2 by a KMP, or a closely related party of a KMP if:
 - the vote is cast as a proxy appointed in writing that specifies how the proxy is to vote on the resolution in Item 2; and
 - the vote is not cast on behalf of a KMP or a closely related party of a KMP.
2. if you appoint the Chairman of the AGM as your proxy, and you do not direct your proxy how to vote on the resolution in Item 2 on the proxy form, you will be expressly authorising the Chairman of the AGM to exercise your proxy even if the resolution in Item 2 is connected directly or indirectly with the remuneration of a KMP of the Group, which includes the Chairman of the AGM.

2. if you appoint the Chairman of the AGM as your proxy, and you do not direct your proxy how to vote on the resolution in Item 6 on the proxy form, you will be expressly authorising the Chairman of the AGM to exercise your proxy even if the resolution in Item 6 is connected directly or indirectly with the remuneration of a member of the KMP of the Group, which includes the Chairman of the AGM.

By Order of the Board

Michelle McPherson

Notes:

1. A shareholder entitled to attend and vote is entitled to appoint not more than two proxies. Shareholders can appoint a body corporate as well as an individual as their proxy. A body corporate may appoint an individual as its representative to exercise any of the powers the body may exercise at general meetings of nib or in the capacity of a shareholder's proxy at general meetings of nib. The appointment may be a standing one. Unless the appointment states otherwise, the representative may exercise all of the powers that the appointing body could exercise at a general meeting or in voting on a resolution.
2. A shareholder who appoints two proxies may state on the proxy form what proportion or number of the shareholder's votes each proxy is being appointed to exercise. If a shareholder appoints two proxies and does not specify the proportion or number of votes each proxy may exercise, each of the proxies may exercise half the shareholder's votes.
3. If a shareholder has appointed two proxies, when a resolution is decided on a show of hands, only the first person named on the proxy form may vote. If two proxy forms have been completed, the person whose name is earlier in alphabetical sequence may vote.
4. A proxy need not be a shareholder of nib.
5. Either the original, facsimile or electronic transmission of the proxy form(s) and any Power of Attorney or authority under which they are signed must be received at least 48 hours prior to the AGM (i.e. by no later than 11.00am (AEDT) on Monday, 27 October 2014) or any adjournment. Any proxy form received after this deadline, including at the AGM, will be invalid.
6. A proxy form accompanies this Notice of Meeting.
7. Additional proxy forms will be supplied by the nib share registry on request.
8. An electronic proxy facility is also available to shareholders via the nib shareholder website – nib.com.au/shareholders
9. If a corporate representative is to attend the AGM on behalf of a corporation, a formal Notice of Appointment must be brought to the AGM or lodged with the share registry prior to the AGM.
10. In accordance with Regulation 7.11.37 of the Corporations Regulations (Cth) and ASX Settlement Operating Rule 5.6.1, the Board has determined that a person's entitlement to vote at the AGM will be the entitlement of that person set out in the register of shareholders as at 7.00pm (AEDT) on 27 October 2014. Accordingly, transactions registered after that time will be disregarded in determining shareholders entitled to attend and vote at the AGM.
11. If you wish a question to be put to the Chairman or Auditor and you are not able to attend the AGM, please complete the question form which is included with this Notice of Meeting.
12. Either the original or facsimile transmission of the question form must be received at least five business days prior to the AGM (by no later than 5.00pm on 22 October 2014 or any adjournment). This is to allow time to collate questions and to prepare answers.
13. If the appointment of a proxy specifies the way the proxy is to vote on a particular resolution:
 - the proxy is not required to vote on a show of hands, but if the proxy does so, the proxy must vote as directed (subject to any applicable voting exclusions);
 - if the proxy has two or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands;
 - if the proxy is not the Chairman of the AGM, the proxy need not vote on a poll but if the proxy does so, the proxy vote must vote as directed (subject to any applicable voting restrictions); and
 - if the proxy is the Chairman of the AGM, the proxy must vote on a poll and must vote as directed.
14. There are now some circumstances where the Chairman of the AGM will be taken to have been appointed as a shareholder's proxy for the purposes of voting on a particular resolution even if the shareholder has not expressly appointed the Chairman of the AGM as their proxy. This will be the case where:
 - the appointment of the proxy specifies the way the proxy is to vote on a particular resolution;
 - the Chairman of the AGM is not named as the proxy;
 - a poll has been called on the resolution; and
 - either of the following applies:

- the proxy is not recorded as attending the AGM; or
- the proxy attends the AGM but does not vote on the resolution.

As such, in summary, the Chairman will vote as your proxy if you specified how your proxy was to vote but your proxy either does not attend the AGM or does attend the AGM but does not vote when a poll is called on a particular resolution.

Shareholders should consider directing their proxy how to vote on each resolution by crossing either a “For”, “Against”, or “Abstain” box when lodging their proxy form to ensure that their proxy is permitted to vote on their behalf in accordance with their instructions.

SPECIAL BUSINESS

6. Approval of participation in Long-Term Incentive Plan

Approval Sought

nib seeks shareholder approval for Mr Mark Fitzgibbon, Managing Director & CEO, to participate in the LTIP for grants of Performance Rights in 2014 (with a four-year performance period).

Background

The LTIP forms part of nib's remuneration strategy. The LTIP is designed to align the interests of Executives and shareholders and to assist nib in the attraction, motivation and retention of Executives. In particular, the LTIP provides Executives with an incentive for future performance, thereby encouraging those Executives to remain with and contribute to the future performance of nib.

Under the LTIP, eligible persons participating in the LTIP may be granted Performance Rights on terms and conditions determined by the Board from time to time. A Performance Right is a right to be allotted a share in nib, subject to the satisfaction of applicable vesting conditions including the achievement of Board-determined Performance Hurdles.

A summary of the LTIP Rules, which apply to Performance Rights granted to Mr Fitzgibbon and other KMPs from July 2013, is set out in the Schedule to these Explanatory Notes.

Overview of awards to Mr Mark Fitzgibbon

Performance Rights are awarded to Mr Mark Fitzgibbon (Managing Director & CEO) on an annual basis at the discretion of the Board. The Performance Rights for each annual award are granted in two tranches of equal value.

The Performance Rights to be issued during the financial year ended 30 June 2014 will have a four-year performance period (from 1 July 2014 to 30 June 2018) (Performance Period).

Vesting conditions

The Performance Rights will vest in accordance with the achievement of the following vesting conditions:

Vesting Condition 1	Vesting Condition 2
50% of the Performance Rights ("Tranche 1")	50% of the Performance Rights ("Tranche 2")
Total Shareholder Return targets ("TSR Hurdle") for the relevant Performance Period are met	Earnings per Share growth targets ("EPS Hurdle") for the relevant Performance Period are met

The TSR Hurdle and the EPS Hurdle have been chosen by the Board to focus management attention on four-year strategic and financial objectives, as well as shareholder alignment.

TSR Hurdle

The TSR Hurdle measures the growth in the price of securities plus cash distributions notionally reinvested in securities. In order for the Tranche 1 Performance Rights to vest, the TSR of nib is compared to companies in the S&P/ASX 200 as at the commencement of the relevant Performance Period. For the purpose of calculating the TSR measurement, the security prices (plus cash distributions notionally reinvested in securities) of each comparator company in the S&P/ASX 200 and of nib will be averaged over the 20 consecutive ASX trading days preceding the start date and end date of the relevant Performance Period.

The percentage of Tranche 1 Performance Rights that vest will be as follows:

nib's TSR performance compared to the relevant peer group	Percentage of Tranche 1 Performance Rights to vest
<50th percentile	No vesting
≥50th percentile to 74th percentile	Pro-rata straight line vesting between 50% and 100%
≥75th percentile	100% vesting

EPS Hurdle

The principle used in setting the EPS Hurdle is to use the prior financial year's normalised EPS as a base and apply a range of compound annual growth rates in EPS from 4.0% to 9.0%, which in turn determines the percentage of Tranche 2 Performance Rights that will vest on 1 September following the end of the relevant performance period, depending on the compound annual growth rate in EPS achieved. The EPS targets have been determined with reference to the macro-economic environment, relevant benchmarks and nib's strategy over the measurement period.

No Performance Rights will vest if the compound annual growth rate is below 4.0%.

The EPS Hurdle base for the Performance Period is 15.9 cents per share, being nib's 2014 financial year normalised earnings per share, which is calculated based on net profit after tax of \$69.8 million.

The EPS Hurdle for the Performance Period will be determined in accordance with the principles set out in the table below (with the Board setting the EPS hurdles annually):

Percentage of Performance Rights vesting	EPS Hurdle
100%	Compound annual growth rate of 9.0% (equates to EPS of \$0.224 in the financial year ending 30 June 2018)
75%	Compound annual growth rate of 7.0% (equates to EPS of \$0.208 in the financial year ending 30 June 2018)
50%	Compound annual growth rate of 5.5% (equates to EPS of \$0.197 in the financial year ending 30 June 2018)
25%	Compound annual growth rate of 4.0% (equates to EPS of \$0.186 in the financial year ending 30 June 2018)
0%	Nil

Notes:

- For the purpose of calculation, 25% and 50% will be discrete thresholds (e.g. performance will be assessed at 25% for EPS greater than or equal to \$0.186 but less than \$0.197), with performance above the 50% entitlement calculated on a pro rata basis to a maximum entitlement of 100%.

The EPS Hurdle will be tested as at 30 June 2018 and the percentage of Performance Rights that will vest on 1 September 2018 will be calculated in accordance with this criteria.

Number of Performance Rights

The number of Performance Rights to be granted to the Managing Director & CEO in the year ended 30 June 2015 (for the financial year commencing 1 July 2014) is calculated as follows:

$$\frac{100\% \times \text{TFR}}{\text{Strike Price}}$$

TFR = the Managing Director's total fixed remuneration for the relevant financial year (being base salary plus superannuation).

Strike Price = Volume weighted average price (“VWAP”) for nib shares for the first 10 trading days following the announcement of the full year financial results for the financial year ended 30 June 2014, which is \$3.4084.

If approved by shareholders, the number of Performance Rights to be granted to Mr Fitzgibbon for the financial year commencing 1 July 2014 is calculated as follows:

$$\frac{100\% \times \$800,000}{\$3.4084} = 234,714 \text{ Performance Rights}$$

Delivery of Shares on Vesting of Performance Rights

Mr Fitzgibbon will receive one share for every vested Performance Right, subject to the LTIP Rules, and the Company may elect whether to allocate shares for the purpose of the LTIP by way of an issue of shares or by procuring the on-market purchase and transfer of shares. The Company currently proposes that it will satisfy its obligations to allocate shares for the purpose of the LTIP by arranging for the on-market purchase and transfer of shares to Mr Fitzgibbon after the testing of the particular performance hurdles.

A two-year non-disposal period applies to 50% of the shares allocated to Mr Fitzgibbon on vesting of the Performance Rights.

Participation in the LTIP by Mr Fitzgibbon

nib seeks shareholder approval for Mr Fitzgibbon, Managing Director & CEO, to participate in the LTIP for 2014 (for the financial year from 1 July 2014 to 30 June 2015), with the number of Performance Rights to be awarded to Mr Fitzgibbon to be calculated in accordance with the formula set out in this Notice of Meeting.

It is proposed that the performance hurdles for Mr Fitzgibbon will be applied to any other offer of Performance Rights to nib’s KMP. The performance hurdles will be set in the same manner as outlined in relation to Mr Fitzgibbon.

Further Information

Listing Rule 10.14 provides that a listed company may only permit a director to acquire shares or rights to shares under an employee incentive scheme where that director’s participation has been approved by an ordinary resolution of shareholders.

The Board’s current intention is that if the Performance Rights vest, shares will be acquired on-market for the purposes of the LTIP. The Board wishes to seek approval for the acquisition of Performance Rights and shares by the Managing Director & CEO under the LTIP as discussed in these Explanatory Notes.

In accordance with the Listing Rules, the following information is provided for shareholders:

1. the maximum number of Performance Rights for which approval is sought will be calculated as described above and will be provided to shareholders in nib’s relevant annual report;
2. the Performance Rights will be granted at no cost to Mr Fitzgibbon and the Board has determined that no amount is payable by Mr Fitzgibbon on the vesting of each Performance Right granted under the LTIP;
3. upon satisfaction of the performance hurdles set by the Board, the Performance Rights will vest and Mr Fitzgibbon will be allocated or issued shares on a one-for-one basis;
4. no loan will be made by nib in connection with the acquisition of Performance Rights or shares by Mr Fitzgibbon under the LTIP;
5. Mr Fitzgibbon is the only person referred to in Listing Rule 10.14 entitled to receive an award of Performance Rights under the LTIP;
6. Mr Fitzgibbon is the only person referred to in Listing Rule 10.14 who has received Performance Rights and securities under the LTIP since the last approval. Mr Fitzgibbon received 273,786 Performance Rights since the last approval with an acquisition price of nil; and
7. no Performance Rights will be granted under this approval later than 12 months after the date of the AGM.

Recommendation

The Board (with Mr Fitzgibbon abstaining and not voting) recommends that shareholders vote in favour of the resolution in Item 6 on the basis that the overall remuneration of Mr Fitzgibbon, which includes his participation in the LTIP, is reasonable having regard to the Company’s circumstances and that the grant of Performance Rights to Mr Fitzgibbon under the LTIP and on the terms described in these Explanatory Notes:

- is in the best interests of the Company as a whole; and

- is consistent with the Company's remuneration policy, in particular the Company's policy of linking remuneration to achievement, and the objective of attracting and retaining highly-skilled Executives.

ENCLOSURES

Enclosed with the Notice of Meeting are:

- a proxy form to be completed if you would like to be represented at the AGM by proxy. An electronic proxy facility is also available to shareholders via the nib shareholders website – nib.com.au/shareholders;
- an AGM question form to be completed if you would like a specific question to be addressed by the Chairman or Auditor at the AGM; and
- a reply paid envelope for you to return either or both the proxy form and AGM question form.

SCHEDULE

Summary of the LTIP Rules

A grant of performance rights is subject to both the LTIP Rules and the terms of the specific grant as determined by the Board. The Board is responsible for administering the LTIP in accordance with the LTIP Rules and the terms and conditions of specific grants of performance rights to participants in the LTIP.

Eligibility and Participation

The Board may determine which persons are eligible to participate in the LTIP from time to time. Eligible persons may be invited to apply to participate in the LTIP. The Board may, in its discretion, accept such applications.

Options and Performance Rights

A person participating in the LTIP ("Executive") may be granted performance rights on terms and conditions, including tenure conditions and performance hurdles, determined by the Board. A performance right has a nil exercise price and is exercised automatically on vesting unless determined otherwise by the Board.

Consideration for Grant

The Board may determine the amount (if any) payable for the grant of a performance right from time to time.

Vesting

Following the satisfaction of the performance hurdles applying to a performance right, the performance right vests on a date predetermined by the Board ("Vesting Date").

Accelerated Vesting at Board's Discretion

The Board may, in its discretion, decide to accelerate the vesting of all or part of the performance rights held by an Executive if there is a winding up of the Company, a delisting of the Company, a change of control, reconstruction or amalgamation of the Company, death of a participant or a cessation of employment as a result of total disablement, redundancy or retirement.

Lapse

An unvested performance right will lapse on the earliest of:

- the expiry date applicable to that performance right;
- the Board determining that the vesting conditions in respect of the performance right are not satisfied and not capable of being satisfied on the relevant testing date and that the performance right has lapsed;
- the Board making a determination in accordance with the terms and conditions of grant of the performance rights that the performance right has lapsed;
- the date the Executive ceases to be employed by nib or a company in the Group due to being a "bad leaver" (being an Executive who ceases employment with nib or a company in the Group by reason of summary dismissal, resignation (other than a mutually agreed separation) and any other reason the Board determines creates a "bad leaver" (other than a reason specified in e below)), unless the Board determines otherwise;

- e) the date the Executive ceases to be employed by nib or a company in the Group due to:
- i. death;
 - ii. total and permanent disablement;
 - iii. retirement;
 - iv. redundancy; or
 - v. mutually agreed separation,
- in which case a pro rata number of each tranche of that Executive's unvested performance rights (calculated in accordance with the LTIP Rules) will lapse 30 days after the date the Executive ceases employment and the balance of the Executive's unvested performance rights will continue to be held by the Executive subject to the terms and condition of the grant of the performance rights and the LTIP Rules, unless the Board determines otherwise; or
- f) the Board determining that the Executive has committed (or it is evident that the Executive intends to commit) any act (whether by omission or commission) of dishonesty, fraud, wilful misconduct, wilful breach of duty, serious and wilful negligence or incompetence in the performance of the Executive's duties, the Executive is convicted of a criminal offence (other than minor/trivial offences) or is guilty of wilful or recklessly indifferent conduct which may injure the reputation or business of a nib entity, or the Executive has breached a confidentiality or non-compete obligation and that the performance right has lapsed.

Delivery of Shares on Vesting of Performance Rights

Following the Vesting Date or the accelerated vesting of a performance right, the Executive will be transferred or issued the number of shares comprised in each performance right.

The Board has the discretion to have shares issued or transferred to an Executive on vesting of performance rights. Any shares issued or allotted under the LTIP will rank equally with those shares of the same class for the time being on issue, except for any rights attaching to those shares by reference to a record date prior to the date of issue or allotment.

Adjustment

In the event of any capital reorganisation by the Company (including any bonus issues), an Executive's performance rights, and the shares allocated to the Executive on vesting of the Executive's performance rights, will be adjusted as set out in the LTIP Rules and otherwise in accordance with the Listing Rules. In general, it is intended that the Executive will not receive any advantage or disadvantage from such adjustment.

Restrictions on Disposal of Shares

An Executive may not dispose of, deal in, or grant a security interest over any interest in, a share allocated to the Executive on the vesting of a performance right for any relevant period determined by the Board. The Board may implement such arrangements (including a holding lock) as it determines are necessary to enforce this restriction. Once the restriction is removed, and subject to the Company's Trading Policy, shares acquired on the vesting of performance rights may be dealt with freely.
