

# Authority to Enquire/Operate Health Insurance Policy

To assist in the maintenance of nib policies, we offer members the ability to nominate a third party to carry out a limited range of policy activities. This can be helpful if you need a friend or relative to make enquiries, order statements or make payments on your behalf.

To protect you, and to ensure that we can meet our obligations to protect the privacy and security of your policy and claims information, this third party authority does not extend to all types of policy maintenance. Should you need someone to act on your behalf in this way, you may wish to consider obtaining a Power of Attorney for that person.

Before providing this third party authority, you should also consider whether it is necessary and whether we have alternative methods of transacting that can assist you (such as direct debit of premiums). We suggest you keep a copy of your completed authority for your records.

**Note: Only the Policy Holder or a partner with partner authority can add a third party authority to enquire/operate an nib policy.**
